

Pat Carlisle, President

DATE: December 12, 2017
TO: NAPIM Members
SUBJECT: 2018 Ault Award Nominations

The NAPIM Board of Directors is once again pleased to invite all ink manufacturers to participate in the selection of the 2018 winner of the Ault Award. Both NAPIM members and non-members are eligible to win.

U.S. printing ink manufacturers may submit the name of an individual who has made distinguished contributions to the advancement of the printing ink industry. To submit a nominee for consideration by the Awards Committee complete the appropriate sections of the attached ballot form. Additional background information may be submitted with your completed nomination ballot.

We think it is most important for all of us to acknowledge the major contributions made by dedicated people in the printing ink industry. When this award is presented at the Annual Convention, April 20-23, 2018 at the *Fairmont Sonoma Mission Inn & Spa, Sonoma, California* it will call attention to the vital role such people play in the advancement of our industry. Your participation in identifying an individual to be honored is appreciated.

In order to allow the Awards Committee time for their deliberations, we ask that you return your ballots before **January 30, 2018**. A completed ballot is a requirement for consideration. Without the complete ballot the nominee will not be considered.

Please plan on joining us at our Convention, April 20-23 2018 at the *Fairmont Sonoma Mission Inn & Spa, Sonoma, California*.

Sincerely,
Pat Carlisle
President
